PRELIMINARY AMENDMENT

Commissioner for Patents:

Please amend the above-identified application as noted below:

In the Claims

Kindly cancel claims 2-7 and 11-19.

Please amend claims 1 and 8-10 as follows:

-
1. (Amended) An electrochemical fuel cell assembly comprising:
- A₁ a first separator plate having a pair of oppositely facing major planar surfaces, and first and second ports;
- a second separator plate having a pair of oppositely facing major planar surfaces, and third and fourth ports;
- a membrane electrolyte interposed between said first and second separator plates;
